Blue Mountains

B-L

After breakfast this morning we will board the coach for a full day tour to the **Blue Mountains** - a World Heritage Area combining steep cliffs, eucalyptus forests, waterfalls and small villages to explore.

Visit the **Featherdale Wildlife Park** which houses a great variety of wildlife including kangaroos, koalas, wallabies, Australian reptiles, Tasmanian devils, wombats and various species of Australian birds. Enter enclosures to interact with the Australian fauna. Pet a koala, hand feed a kangaroo and meet all your favourite Australian animals in an outdoor bush setting.

We move on to **Wentworth Falls** where we can take a stroll along the escarpment and admire its stunning view.

We then arrive at **Echo Point Lookout**, where the famous “**Three Sisters**” sandstone spires tell you a story of mythical times. It’s here that we will enjoy lunch, at **The Lookout Restaurant**.

Next we visit **Scenic World**. Experience a range of attractions found nowhere else on Earth such as the steepest passenger railway in the world and the **Scenic Railway**, descending 310 metres through a cliff-side tunnel, emerging into ancient rainforest at the Jamison Valley floor.

At the end of a fabulous day we return to our hotel for an evening at leisure. Our tour host will be on hand to discuss dinner options.

Sydney & Northern Beaches

B-D

Enjoy breakfast this morning before we board the coach for our tour of some of Sydney’s world famous beaches.

We first arrive at **Bondi Beach**, Australia’s most famous beach. The infamous Bondi is more than just golden sands and quality surf. We start at the front of the **Bondi Surf Club** and begin a 90min **Discover Bondi Headland Walk** experience. Our tour will include an interactive Bondi Surfing / Surf Club Tour, history of Bondi presentation, surfing and lifesaving demonstration and coastal headland walk. We take a guided walk along Bondi’s famous coastal headland and discover aboriginal rock carvings, spot marine life and the best viewing points of Bondi and surrounding beaches. We will also get a locals insight into the best restaurants, shops and activities in the area.

Departing Bondi on the coach we visit some of Sydney’s other beaches like **Bronte Beach** and **Coogee Beach** before arriving back into Circular Quay in time to board the **Manly Ferry**.

We arrive into Manly and have some free time to either relax at **Manly Beach** or explore the area on one of the many walks, for example the “Heart of Manly Heritage Walk” or the “Manly to Shelley Beach Walk” (approximately 30 minutes one way). Manly Beach is a world famous Australian landmark and is most renowned for its surfing beaches.

Back on the ferry we return to Circular Quay and to our hotel. There is time to freshen up before we take a short walk to **Hunter & Barrel**, our **Farewell Dinner** location.
