This morning enjoy breakfast and some free time to explore the local markets, just a short walk from our accommodation.

This afternoon we are picked up for a **Half Day Island Orientation Tour**. The half day tour is a must-do Norfolk Island experience, introducing travellers to the island's history and life as it is today. From the historic Kingston to famous convict buildings and beautiful beaches the tour offers plenty of opportunities for travellers to take some photos and be fully informed about this fascinating island.

Returning to our accommodation this afternoon there will be time to relax before we go back in time to 1859 on Norfolk Island and dine with the chief magistrate Frederick Young and his Wife Mary. We dine on a 3 course dinner whilst helping to solve the mystery of “**Who killed the surveyor?**”

Today is a day that is precious to Norfolk Islander's hearts as they celebrate their Anniversary Day, otherwise known as **Bounty Day**. Every year a celebration takes place in remembrance of the day their ancestors arrived, from Pitcairn Island, onboard the Morayshire and were met by the Commissariat Storekeeper and his wife.

This morning we will be picked up to watch the Bounty Mutineer descendants as they re-enact the landing of their forebearers. The landing takes place at the Kingston Pier, the oldest pier in the Southern Hemisphere. You can also observe the tradition of the children of the Bounty Mutineers descendants rolling down the Government House hill.

Then it's off for morning tea followed by, perhaps the centrepiece of Bounty Day, a **traditional community Island picnic lunch**. Before lunch the Norfolk grace will be sung.

We will enjoy some traditional Norfolk wettls with complimentary red and white wine, orange juice, tea and coffee. Island dancing and music also kicks in as the festive part of the day really begins. As the afternoon wears on the adults sit back with a 'baeli ful' (full belly) and watch the children play.

When we're ready, we'll return to our accommodation.

This evening is at leisure and for those that want to join, we'll wander next door to the Bowling Club Bar & Bistro, one of Norfolk's most popular places, for dinner (*at own expense*).

After breakfast today we will be taken to **Kingston**, for the **Convict Settlement Tour**, an in depth tour of the historic Georgian settlement of Kingston. This is a great opportunity to learn more about the history of Norfolk's penal settlements and wander through some of the historic ruins.

Returning to our accommodation we have the afternoon at leisure. You may like to this time for shopping or a walk to the botanical gardens or just relaxing. Your tour host will be on hand for anyone that would like company or assistance.

Early this evening we will meet and be transferred to **Hilli Restaurant** for dinner.

After breakfast we make a visit to **Fletchers Mutiny Cyclorama**, a continuous 360degree panoramic painting that tells the story of the mutiny on the Bounty.

This will be followed by a stroll through **Queen Victoria's Garden** after which you may choose to walk back into town or take the short bus ride back.

This afternoon, on **BOC's Farm & Industry tour**, we are taken to a selection of the many other enterprises that sustain the island community. These might include: raising meat producing sheep, market gardening, manufacturing soft drinks and liqueurs & exporting Kentia seedlings.

This evening we will be picked up and taken on a **Progressive Dinner to Island Homes**.

This morning after breakfast we are taken on an exclusive guided tour to the home of world renowned author, the late **Colleen McCullough**, who made Norfolk Island her home in 1979 and stayed until her passing in 2015 with her husband Ric Robinson.

This afternoon, we are picked up and taken to an **Island Cultural Lunch**. We will enjoy a delicious, traditional, lunch at Taveners Farm. Learn about the cooking traditions that came from the Tahitian foremothers and ancestors of old. Lou Taveners is a renowned Island cook who'll provide us with a scrumptious lunch. We also get to hear about the Norfolk Language; what it is and how the Islanders are working to preserve it. Lou is a Norfolk Islander with many years working in the provision of Norfolk language stories, plays, songs and games for the school & online as well as in plays & events for the community.

Late afternoon we will be collected and transferred to this evening's **Island Fish Fry**. Enjoy the stunning cliff top scenery and feast of Island dishes, along with local entertainment and the sunset.

Returning to our accommodation we will be taken on the **1856 The Untold Story**, an evening bus tour that recounts the arrival of the Bounty Mutineers' descendants from Pitcairn Island. The 8th of June saw 194 people arrive on Norfolk Island aboard the Morayshire. This consisted of 40 men, 47 women, 54 boys, and 53 girls. They arrived in cold, wet blustery conditions. Few had ever been to sea before; they were seasick, homesick and heartsick. The journey of 6,000 km/ 3,700 miles took five weeks. They arrived to a recently abandoned penal settlement set aside for the 'worst of the worst' it was full of ghosts and memories.

After lunch (own expense) we are collected for this afternoon's **Indulgence Tour**. We'll visit some favourite local spots offering opportunities for great photos and finish up the afternoon with nibbles in a scenic location.

As this evening is our last night on Norfolk Island, it's only fitting that we have a **Night as Convict Dinner**. Tonight is sure to be a fun time as we dress* like convicts and join in with the Commandant for an evening of gaiety, feasting, singing & dancing. **convict outfit supplied.*

An early start today sees us taking a leisurely **Breakfast Bushwalk** through the National Park. At the end of the walk, we meet on the clifftop for a delicious breakfast barbeque.

Sadly our time in this remote paradise is coming to a close and upon returning to our accommodation we will need to check out and meet in the transit lounge before we are transferred to the Norfolk Island airport to check in for our return flight to Brisbane.
