After lunch (*own expense*) we take **The Taste of Norfolk** tour. What we see on the day may differ, however it may include a beekeeper's home where we'll see the honeybees, perhaps a stop to see the beef and dairy farm where we learn about supplying milk to make local produce or a trip to the local liqueur factory as well as learning about the traditional island way of cooking.

This evening we are taken on a **Progressive Dinner to Island Homes**. We get to enjoy a 3-course meal progressing to different Norfolk Island family homes throughout the evening. This is a fun night and a great way to meet the local people and sample some of the Island dishes.

Enjoy breakfast before we are transferred mid-morning to **Fletchers Mutiny Cyclorama**, a continuous 360degree panoramic painting created by two local artists.

This will be followed by a stroll through **Queen Victoria's Garden** and a delicious lunch at **Hilli's Restaurant**.

The bus will be available to take us back to our accommodation or you may like to walk back as we have the afternoon at leisure.

This evening is at leisure for dinner (*also own expense*) however there will be a table reserved for the group at the Bowling Club Bistro, which is a short walk next door to our accommodation.

After dinner we embark on the **1856 The Untold Story**. On 8 June 1856 a total of 194 people, descendants from the Bounty, arrived on Norfolk Island from Pitcairn Island aboard the Morayshire. This consisted of 40 men, 47 women, 54 boys, and 53 girls. They arrived in cold, wet blustery conditions. Few had ever been to sea before, they were seasick, homesick and heartsick. The journey of 6,000 km/3,700 miles took five weeks. They arrived to a recently abandoned penal settlement set aside for the 'worst of the worst' it was full of ghosts and memories. It was a large and frightening testimony of man's inhumanity to man. This tour will follow their journey in the World Heritage Listed Kingston area and will bring the past to life with an audio aboard their coach, recounting stories of the families, where they lived and how they adapted to their new life on Norfolk Island.

After lunch, (*at own expense*), we will be collected and taken on the new **Women of Norfolk** tour. We trace the remarkable journeys of Olivia Gascoigne, who faced an imminent death sentence, Aunt Selina Buffet, a woman of enduring influence with an award bearing her name, Marie Bailey, a key figure in Norfolk Island's tourism industry, and Colleen McCullough, celebrated for her literary accomplishments and fervent advocacy for Norfolk Island. Walk in the footsteps of these extraordinary women who have triumphed over adversity and significantly shaped our beloved Norfolk community.

Do you want to hear some spooooooky stories, based on the history of Norfolk Island? Tonight we take **The Norfolk Island Ghost Tour!** Whilst walking & holding lanterns listen to talks and stories that will delight you, make you sad and send shivers down your spine!
