Next, we stop at the Merlion Park and enjoy the impressive views of Marina Bay. Do not miss a picture-taking opportunity with the Merlion - a mythological creature that is part lion and part fish. We pay a visit to the Buddha Tooth Relic Temple, the latest iconic temple in the city before taking a classic “bumboat” – Singapore river taxi, and cruising along the Singapore River. There will be time for lunch (*at your own expense*) around the lively Clarke Quay area before we return to the hotel for some leisure time.

**National Museum / Gardens by the Bay**

Enjoy a morning at leisure before we discover 700 years of Singapore’s history at the National Museum of Singapore this afternoon. With a history dating back to its inception in 1887, the National Museum of Singapore is the nation’s oldest museum. Its galleries adopt cutting edge and multi-perspective ways of presenting history and culture to redefine conventional museum experience.

Next, we head off to Gardens by the Bay with its breath-taking waterfront views. This multi-award winning horticultural destination spans 101 hectares of reclaimed land, and is made up of two main areas – Bay South Garden and Bay East Garden. Bay South Garden is the largest of the gardens and you can’t miss the massive Supertrees here. These tree-shaped vertical gardens are between 9 and 16 stories tall. Walk on the suspended walkway between two Supertrees to enjoy a bird’s eye view of the gardens. After dinner tonight we’ll catch the sky show of choreographed lights and sounds at the Garden Rhapsody.

**Day 4 – Saturday 16 March 2024****B-HT****Singapore Botanic Gardens/National Orchid Garden**

After a leisurely breakfast this morning, today we will explore the Singapore Botanic Gardens and National Orchid Garden. The Botanic Garden is a 156-year-old tropical garden located at the fringe of the Singapore's main shopping belt and is one of three gardens, and the only tropical garden, to be honoured as a UNESCO World Heritage Site. The National Orchid Garden is located on the highest hill in the Singapore Botanic Gardens. Providing a place for 60,000 orchid plants - consisting of 1000 species and more than 2,000 hybrids - is the three hectares of carefully landscaped slopes.

This afternoon we make our way to the Fullerton Hotel for a beautiful High Tea. Returning to our hotel we have the evening at leisure. Your tour host will be on hand for anyone that would like company for dinner.

**Day 5 – Sunday 17 March 2024****B-D****Cable Car/Sentosa/SEA Aquarium /ChinaTown**

A leisurely start to the day today and then we will catch a cable car and fly high above the hill from Faber Peak to Sentosa. The Singapore Cable Car provides a 360-degree panoramic view of the city's best attractions, including the harbour, Sentosa Island, and the city skyline. Sentosa is an island resort off Singapore's southern coast, connected to the city by road, cable car, pedestrian boardwalk and monorail. By Sentosa Station, Tiger Sky Tower has panoramic views that can stretch as far as Indonesia. On the south coast, Palawan Beach is lined with food stalls and bars.

In Sentosa you'll visit the South-East Asia Aquarium - a magical marine world with more than 100,000 underwater animals from 800 species, swimming in 45 million litres of water. Over 800 species, swimming in 45 million litres of water - the aquarium comprises 10 zones with 49 habitats.

We then return to the hotel for a rest and some time at leisure. Late afternoon we depart for China Town night markets where we test our bargaining skills. Take time to wander around the touristy bits of Chinatown's bustling markets, and you'll be duly rewarded with unexpected finds. Dinner tonight will be at a local restaurant.

**Day 6 – Monday 18 March 2024****B-L-D****Cooking Class / Marina Bay Sands Skypark**

Enjoy a relaxed breakfast to start the day before we make our way to the Food Playground cooking school to learn about Singaporean food heritage, culture and how to cook authentic home-style Singapore dishes.

After lunch we travel back to our hotel for some time at leisure before venturing out again mid-late afternoon for a visit to Marina Bay Sands Skypark where the observation deck soars 57 levels above the heart of the city and you can take in the panoramic vistas of stunning Marina Bay, the architectural wonders of Supertree Grove, and the vibrant colours of Gardens by the Bay. From Marina South Pier all the way out to the Singapore Strait, get a bird's eye view of the bustling shipping lanes that have built Singapore's rich multicultural history.

After dinner at a local restaurant we'll catch the outdoor light and water show along the promenade. A beautiful symphony of music, water and light that's powered by advanced lasers, fountain jets and visual projectors paired with an inspiring orchestral soundtrack and special lighting effects.

**Day 7 – Tuesday 19 March 2024**

The park also boasts the world's first free-ranging orangutan habitat in a zoo. After breakfast we will explore the park at a more relaxed pace on our guided tour tram ride.
