Reflection & Remembrance**

(B,D)

Reflection & Remembrance (B,D)  
This morning after breakfast we make our way up to the Mt Ainslie lookout for breathtaking views across Lake Burley Griffin. From here we visit the Museum of Australian Democracy (formally Old Parliament House). The Museum was home to Australia's Federal Parliament for more than 60 years and is now a much-loved heritage building, offering a unique glimpse into the nations fascinating past. This afternoon we will be moved, at the Australian War Memorial. Combining a shrine, world-class museum and extensive archive, the Memorial's purpose is to commemorate the sacrifice of those Australians who had died in war or on operational service and those who have served our nation in times of conflict. Wander the impressive exhibitions and sombre ceremonial areas including the Hall of Memory together with the Tomb of the Unknown Soldier, the Pool of Reflection and the Roll of Honour that lists the names of over 102,000 Australian service men and women who have died in war. We are farewellled with the Last Post Ceremony. The touching ceremony features the national anthem, piper's lament, an individual story, ode recited by a Defence Force personnel and ending with the sounding of the Last Post. We will then return to our hotel, freshen up and come together again for dinner in the hotel.

**Day 3  
Exploring Canberra**

(B,D)

After breakfast today, we take in some of the city sights as we travel through Embassy Row, finding embassies and high commissions of countries from around the world. Look out for the spectacular traditional design of the Chinese Embassy or the splendid Georgian style United States Embassy. Visiting the Royal Australian Mint, we discover they produce more than just the countries coins. We then head to Capital Hill, the focal point of Canberra is where we are introduced to the meeting place of the nation, Parliament House. Listening to your guide as they lead you through this political power house, you are enlightened to daily life of democracy. Returning to the hotel, we enjoy dinner in the hotel.

**Day 4  
Wines, Chocolates & Miniatures**

(B,L)

Following breakfast this morning we board the coach and begin our day at Murrumbateman Chocolate Co. for a talk and to indulge in the smooth and creamy chocolate tastings on offer. A delicious tasting then awaits us at Murrumbateman Winery. The boutique cellar door has a warm, rustic feel making it also the perfect place to enjoy lunch. This afternoon we visit the famous Cockington Green Gardens. This award-winning tourist attraction takes its name from the township of Cockington in Devon, a historic English village. It is a one-twelfth scale reproduction of building and gardens – thatched cottages, a tiny church, the village green and even Stonehenge. Furthermore, model figures bring the scenes to life. This evening is at leisure and your tour host will be available for anyone that would like company for the evening.

**Day 5  
Canberra Discovery**

(B,D)

This morning, after breakfast, we join a sightseeing cruise taking us past Canberra's famous landmarks, with commentary from our cheerful skipper. Then we head to the National Arboretum Canberra, located at the western end of Lake Burley Griffin. Internationally renowned, it is a place of breathtaking beauty with panoramic views and stunning architecture. Experience the world's largest living collection of rare and endangered significant trees. We finish off the day at Mt Stromlo Observatory – the headquarters of the ANU Research School of Astronomy and Astrophysics, a world respected community of researchers exploring the heavens. Returning to the hotel, we enjoy dinner in the hotel.
