1856 The Untold Story recounts the arrival of the Bounty Mutineers' descendants from Pitcairn Island. The 8th of June saw 194 people arrive on Norfolk Island aboard the Morayshire. This consisted of 40 men, 47 women, 54 boys, and 53 girls. They arrived in cold, wet blustery conditions. Few had ever been to sea before; they were seasick, homesick and heartsick. The journey of 6,000 km/ 3,700 miles took five weeks. They arrived to a recently abandoned penal settlement set aside for the 'worst of the worst' it was full of ghosts and memories.

Day 3: Monday, 08 June 2026
Norfolk Island – BOUNTY DAY

B-L

Today is a day that is precious to Norfolk Islander's hearts as they celebrate their Anniversary Day, otherwise known as **Bounty Day**, and this year is the **170th Anniversary!**

This morning we will be picked up to watch the Bounty Mutineer descendants as they re-enact the landing of their forebearers, dressed in period costume. The landing takes place at the Kingston Pier, the oldest pier in the Southern Hemisphere. You can also observe the tradition of the children of the Bounty Mutineers descendants rolling down the Government House hill.

Then it's off for morning tea followed by, perhaps the centrepiece of Bounty Day, a **traditional Island lunch**. Before lunch the Norfolk grace will be sung. We will enjoy some traditional Norfolk wetts (*food*) with complimentary champagne, orange juice, tea and coffee. The music kicks in as the festive part of the day begins. As the afternoon wears on sit back with a 'baeli ful' (full belly) or take a wander around the area.

When we're ready, we'll return to our accommodation.

This evening is at leisure and for those that want to join, can wander next door to the **Bowling Club Bar & Bistro**, one of Norfolk's most popular places, for dinner (*at own expense*).

How they bring petrol and gas onto the island; power their world; deal with waste; forecast the weather; keeps themselves informed and make a global contribution. This is a real behind the scenes experience, which shows the true workings on Norfolk Island.

Returning to our accommodation we have the afternoon at leisure

This evening we have a **Progressive Dinner** to Island Homes. We get to enjoy a 3-course meal progressing to different Norfolk Island family homes throughout the evening. This is a fun night and a great way to meet the local people and sample some of the Island dishes.

Along the way, we'll stop at a stunning scenic spot for morning tea, where we can soak up the breathtaking natural beauty of the island.

The Bounty Folk Museum tells the strange and startling history of Norfolk Island, from the harrowing tales of ill-fated convicts brought here, to the against-the-odds survival of the Bounty mutineers and their Tahitian wives. Though small in size, the museum is wide in scope, with lots of artefacts to pore over. Discover Bounty memorabilia, early photographs of Pitcairn settlers, old weapons and some frankly quite terrifying antique medical instruments.

Whilst doing time on Norfolk Island it's only fitting that we have a **Night as Convict Dinner**. Tonight is sure to be a fun time as we dress* like convicts and join in with the Commandant for an evening of gaiety, feasting, singing & dancing. **convict outfit supplied.*
