Day 2, Singapore

Following breakfast this morning, we will be taken on a half-day city tour. Starting with the Civic District, passing by the Padang, Singapore Cricket Club, historic Parliament House and the National Gallery Singapore. The Gallery consists of the former Supreme Court Building and the City Hall. Next, we stop at the Merlion Park and enjoy the impressive views of Marina Bay. Don't miss a photo opportunity with the Merlion - a mythological creature that is part lion and part fish. We pay a visit to the Buddha Tooth Relic Temple, before taking a classic "bumboat" river taxi, and cruising along the Singapore River. There will be time for lunch (at your own expense) around the lively Clarke Quay area before we return to the hotel for some leisure time. Dinner this evening will be at a local restaurant.

Day 3, Singapore

Enjoy breakfast before exploring Singapore's history at the National Museum this afternoon. With a history dating back to its inception in 1887, the National Museum of Singapore is the nation's oldest museum. Next, we head off to Gardens by the Bay with its breath-taking waterfront views. This multi-award winning horticultural destination spans 101 hectares of reclaimed land, and is made up of two main areas - Bay South Garden and Bay East Garden. Bay South Garden is the largest of the gardens and you can't miss the massive Supertrees here. These tree shaped vertical gardens are between 9 and 16 stories tall. Walk on the suspended walkway between two Supertrees to enjoy a bird's eye view of the gardens. Enjoy dinner here before heading back to our hotel for the evening.

Day 4, Singapore

After a leisurely breakfast this morning, we will explore the Singapore Botanic Gardens and National Orchid Garden. The Botanic Garden is a 156-year-old tropical garden located at the fringe of the Singapore's main shopping belt and is one of three gardens, and the only tropical garden, to be honoured as a UNESCO World Heritage Site. The National Orchid Garden is located on the highest hill in the Singapore Botanic Gardens. Providing a place for 60,000 orchid plants - consisting of 1000 species and more than 2,000 hybrids - is the three hectares of carefully landscaped slopes. Afterwards, we will enjoy lunch together at a local restaurant. We then take our enjoyment to greater heights at the SkyPark Observation Deck. 56 storeys up, this scenic view of the cityscape is uniquely breathtaking. Feast your eyes on impressive views of Gardens by the Bay, the Supertree Grove and iconic landmarks, like the domes of the Esplanade.

Being home to 19 duplex and flagship stores by some of the most coveted luxury brands, The Shoppes at Marina Bay Sands is a shopping destination like no other. Experience the world's only floating Louis Vuitton Island Maison and visit a one-of-a-kind Apple store entirely surrounded by water. With over 170 luxury and premium boutiques, it's every discerning shopper's dream. We then make our way back to our hotel for an evening of relaxation and leisure. Your tour host will be on hand for anyone who would like company for dinner.

CHRISTMAS DAY Day 5, Singapore

Merry Christmas! After breakfast, we will catch a cable car and fly high above the hill from Faber Peak to Sentosa. The Singapore Cable Car provides a 360-degree panoramic view of the city's best attractions, including the harbour, Sentosa Island, and the city skyline. Sentosa is an island resort off Singapore's southern coast, connected to the city by road, cable car, pedestrian boardwalk and monorail. From here, we proceed to visit the Singapore Oceanarium, one of Asia's most spectacular marine attractions, located on Sentosa Island. This world-class facility offers a journey into the wonders of the ocean, showcasing thousands of marine animals across thoughtfully designed thematic zones. We are then taken back to the hotel for some relaxation and free time. This evening we'll be taken out for a special Christmas Dinner.

Day 6, Singapore

We indulge in a relaxed breakfast and a tranquil morning before embarking on an afternoon adventure to savour a delightful high tea at the renowned and opulent Raffles Hotel. Situated in the bustling business and civic district, Raffles Singapore exudes sophistication and timeless charm, standing proud amidst its contemporary skyscraper surroundings. After our high tea experience, we make our way to the Singapore Flyer, an iconic observation wheel located in the Downtown Core district. Towering at a height of 165 metres and spanning 150 meters in diameter, the Singapore Flyer ranks among the largest Giant Observation Wheels globally. It features 28 air-conditioned capsules, each capable of hosting 28 passengers. From aboard the Singapore Flyer, you can enjoy breathtaking views extending up to 45 kilometres away, a distance surpassing even the entire length of this island city by 3 kilometres. We then make our way back to our hotel for a relaxing evening. Your tour host will be on hand for anyone that would like company for dinner.

Day 7, Singapore

There's no better way to start your visit at one of the world's most beautiful zoos than having a Jungle Breakfast with the wildlife. Set in a rainforest environment, Singapore Zoo is home to over 2,800 animals from over 300 species of mammals, birds and reptiles. The park also boasts the world's first free-ranging orangutan habitat in a zoo. After breakfast we will explore the park at a more relaxed pace on a tram ride. Returning to the hotel we have the remainder of the day at leisure before coming together for a dinner.

Day 8, Singapore

After breakfast, we venture to Joo Chiat Road, situated in Katong, an eastern coastal residential conservation district. Here, we uncover a vibrant fusion of flavours, sounds, and visuals. We immerse ourselves in the area's art murals and historical treasures, some of which have earned recognition like the UNESCO Asia-Pacific Awards for Cultural Heritage and Architectural Heritage Awards. Continuing our exploration, we delight in a demonstration of Popiah making. Popiah, a type of spring roll, offers a delightful medley of tastes and textures, featuring finely chopped vegetables and meat encased in a thin flour wrap. We'll enjoy the evening at leisure.

Day 9, Singapore

After breakfast, we set out to explore the western region of Singapore with a unique agricultural twist. Our first stop is ComCrop, one of Singapore's pioneering urban farms. Located on city rooftops, ComCrop transforms underutilised spaces into thriving green farms that supply fresh, locally grown vegetables to the community. Here, you'll gain insight into Singapore's innovative approach to food sustainability and urban farming, learning how technology and creativity are helping the nation strengthen its local food production. We then continue to the countryside charm of Bollywood Farms, a well-known organic farm nestled in the Kranji countryside. Bollywood Farms grows a wide variety of organic herbs, fruits, and vegetables, and is dedicated to promoting sustainable farming and healthy living. The farm also runs cooking workshops and offers visitors a glimpse into Singapore's rural heritage, a refreshing contrast to the city's modern skyline. Enjoy lunch at the farm's rustic bistro, where many of the dishes are prepared using fresh ingredients harvested directly from the surrounding gardens. After lunch, we return to the hotel, where you will have the remainder of the afternoon at leisure before coming together for a farewell dinner at a local restaurant.

Day 10, Depart Singapore

This morning, after breakfast, we travel to the heart of a traditional Singaporean neighbourhood - Toa Payoh, one of the country's earliest and most established public housing estates. Here, we will immerse ourselves in the rhythms of local morning life. Stroll through the bustling wet market and hawkker centre, observe residents going about their daily routines, and gain insight into the community spirit that defines Singapore's heartland living. This visit offers a meaningful glimpse into the lifestyle of Singapore's elderly population, who often gather in communal spaces for exercise, breakfast, and social interaction. We then continue to Yoon's Traditional Teochew Kueh (Cakes) for a hands-on cultural experience. Under expert guidance, you will learn about the heritage and symbolism behind traditional Teochew kueh and try your hand at making these delicate, handcrafted treats. This interactive session provides a wonderful opportunity to appreciate the craftsmanship and culinary traditions passed down through generations. Following the workshop, enjoy a heritage-style lunch featuring authentic local flavours. Afterwards, we return to the hotel where a late check-out has been arranged. This allows time to rest, refresh, and pack at leisure before we transfer to Singapore Changi Airport to board our overnight flight home, bringing our Singapore journey to a close.
