Day 2, Norfolk Island (B,D)

This morning enjoy breakfast before we are picked up for a Half Day Island Orientation Tour. The half day tour is a must-do Norfolk Island experience, introducing travellers to the island's history and life as it is today. During our tour we will also enjoy time at the local craft markets. Early afternoon we are picked and taken to Kingston, for the Convict History Tour, an in-depth tour of the historic settlement of Kingston. This evening we enjoy an Island Cultural Dinner.

Day 3, Norfolk Island (B,D)

This morning after breakfast we are treated to the Paddock to Plate tour, where we'll visit a market garden, a beef cattle farm and a free-range chicken farm. Our final stop will be at a local home for a two-course lunch featuring local ingredients. This afternoon we are taking the Gardener's Delight tour, a journey behind the scenes to experience some amazing gardens including a secluded old Island home. This evening we go back in time to 1859 on Norfolk Island and dine on a 3 Course dinner while you help solve the mystery of "Who killed the surveyor?". Hosted in the elegantly restored No. 9 Quality Row, this immersive dining experience invites you to solve the mystery with period costumes, candlelight, and dramatic storytelling, the evening brings Norfolk's layered history to life.

BOUNTY DAY

Day 4, Norfolk Island (B,D)

Today is a day that is precious to Norfolk Islander's hearts as they celebrate their Anniversary Day, otherwise known as Bounty Day! This morning we will watch the Bounty Mutineer descendants as they re-enact the landing of their forebearers, dressed in traditional period costume. The landing takes place at the Kingston Pier, the oldest pier in the Southern Hemisphere. You can also observe the tradition of the children of the Bounty Mutineers descendants rolling down the Government House hill. Then it's off for morning tea followed by, perhaps the centrepiece of Bounty Day, a traditional Island lunch. Before lunch the Norfolk grace will be sung. We will enjoy some traditional Norfolk wetls (food) with complimentary champagne, orange juice, tea and coffee. The music kicks in as the festive part of the day begins. As the afternoon wears on sit back with a 'baeli ful' (full belly) or take a wander around the area. When we're ready to head back, we'll return to our accommodation. This evening is at leisure and for those that want to join, we will make our way to dining spot within walking distance, for dinner (at own expense).

Day 5, Norfolk Island (B,L)

An early start today sees us taking a leisurely Breakfast Bushwalk through the National Park. At the end of the walk, we meet on the clifftop for a delicious breakfast barbeque. We return to our accommodation mid-morning and have some free time. After lunch, (at own expense), we will be collected and taken on the new Women of Norfolk tour. We learn the captivating stories of Norfolk Island's exceptional women who have played a pivotal role and helped shape its history. This evening we have a Progressive Dinner to Island Homes. We get to enjoy a 3-course meal progressing to different Norfolk Island family homes throughout the evening. This is a fun night and a great way to meet the local people and sample some of the Island dishes.

Day 6, Norfolk Island (B,D)

Following breakfast we have the Norfolk Today tour. We will learn how Norfolk Islanders live in the 21st Century and the essential services that make life on a tiny South Pacific island possible. How they bring petrol and gas onto the island; power their world; deal with waste; forecast the weather; keep themselves informed and make a global contribution. Returning to our accommodation we have the afternoon at leisure. Later we will be collected for this evening's Island Fish Fry. Enjoy the stunning cliff top scenery and feast of Island dishes, along with local entertainment and the sunset. We return to our accommodation in time to be collected for the '1856 The Untold Story' bus tour, which recounts the arrival of the Bounty Mutineers' descendants from Pitcairn Island.

Day 7, Norfolk Island (B,L,D)

Enjoy breakfast this morning before we are taken on an exclusive guided tour to the home of world-renowned author, the late Colleen McCullough, who made Norfolk Island her home in 1979 and stayed until her passing in 2015 with her husband Ric Robinson. This afternoon we are taken to Fitzy's Lavender Farm for an informative talk on the journey to setting up Norfolk Islands first ever Lavender Farm. Whilst doing time on Norfolk Island it's only fitting that we have a Night as Convict Dinner. Tonight is sure to be a fun time as we dress* like convicts and join in with the Commandant for an evening of gaiety, feasting, singing & dancing. *convict outfit supplied.

Day 8, Norfolk Island–Brisbane (B)

After breakfast and check out we make a visit to Fletchers Mutiny Cyclorama, a continuous 360degree panoramic painting that tells the story of the mutiny on the Bounty. This will be followed by a stroll through Queen Victoria's Garden after which you may choose to walk back into town or take the short bus ride back. Upon returning to our accommodation we will be transferred to the Norfolk Island airport to check in for our return flight to Brisbane
