How they bring petrol and gas onto the island; power their world; deal with waste; forecast the weather; keeps themselves informed and make a global contribution. This is a real behind the scenes experience, which shows the true workings on Norfolk Island. This afternoon we are picked up for a Half Day General Tour. The half day tour is a must-do Norfolk Island experience, introducing travellers to the island's history and life as it is today. From the historic Kingston to famous convict buildings and beautiful beaches the tour offers plenty of opportunities for travellers to take photos and be fully informed about this fascinating island. Our tour will also include a light afternoon tea. Whilst doing time on Norfolk Island it's only fitting that we have a Night as Convict Dinner. Tonight is sure to be a fun time as we dress (outfit supplied) like convicts and join in with the Commandant for an evening of gaiety, feasting, singing & dancing.

This morning we have time to enjoy breakfast and then time at leisure for shopping or relaxing. This afternoon we are collected for the Over the Cattlestops tour to explore the heart and soul of Norfolk Island on a captivating day tour, where we'll discover the hidden gems of the local industries. Meet the skilled artisans and entrepreneurs behind the island's thriving businesses as they showcase their unique crafts and specialties. From handcrafted pottery to locally made soft drinks, we will have the chance to taste and purchase some of the locally made products. Early evening we will be collected and transferred to this evening's Island Fish Fry. Enjoy the stunning cliff top scenery and feast of Island dishes, along with local entertainment and the sunset.

After breakfast today we will be taken to the Bounty Folk Museum, a treasure chest of history and inspiring information stretching back to 1788. Though small in size, the museum is wide in scope, with lots of artefacts to pore over. Discover Bounty memorabilia, early photographs of Pitcairn settlers, old weapons and some frankly quite terrifying antique medical instruments. Later today we will be taken to Kingston, for the Convict Settlement Tour, an in-depth tour of the historic Georgian settlement of Kingston. Explore the New Gaol ruins, the Pier Store, Boat Shed, and Crank Mill, all of which offer a glimpse into the intriguing past of Norfolk Island. This morning after breakfast we are treated to the Paddock to Plate tour, where we'll visit a market garden that supplies vegetables to the Island and learn about providing seasonal produce. We'll also tour a farm with beef cattle to understand the unique farming practices on Norfolk Island. Next, we'll visit a free-range chicken farm and learn how they supply the Island with farm fresh eggs. Our final stop will be at a local home for a delicious two-course lunch featuring local ingredients. Upon returning to the hotel we have the afternoon at leisure. You may wish to take this time for some more shopping or perhaps you'd like to do another activity (own expense) that may be available. This evening is our final night, and we celebrate our Christmas in July tour with all the festive favourites! We'll enjoy a traditional Christmas dinner with all the trimmings, followed by some light-hearted Christmas trivia and carols for a festive and fun evening to round out the celebrations.

Enjoy breakfast this morning before we check out and are then taken on an exclusive guided tour to the home of world-renowned author, the late Colleen McCullough, who made Norfolk Island her home in 1979 with her husband Ric Robinson. Sadly our time in this remote paradise is coming to a close and upon returning to our accommodation we will meet in the transit lounge before we are transferred to the Norfolk Island airport to check in for our return flight to Brisbane.
