Solo Connections tours are fully hosted, unique small group tours designed specifically for solo travellers over 50... Together we travel!

Day 1, Arrive Broken Hill (D)

Your Outback Air Adventure begins in the iconic mining city of Broken Hill, the gateway to one of Australia's most remarkable outback journeys. Together with our local guide, we embark on a fascinating tour of Australia's first heritage listed city, discovering its rich mining history, impressive heritage buildings, vibrant arts scene and unique outback character. We pause for lunch (own expense) at the renowned Broken Earth Restaurant, where we can enjoy regional flavours while taking in sweeping views across the rugged outback landscape. We then continue exploring Broken Hill before checking into our accommodation, where we will have time to relax and freshen up. Later this afternoon, we travel to the spectacular Living Desert and Sculptures. Perched atop Sundown Hill, this collection of twelve internationally acclaimed sandstone sculptures provides the perfect setting to experience a magnificent outback sunset. As the colours of the landscape transform before our eyes, we enjoy drinks and canapés while taking in this unforgettable setting. This evening, we gather for our Welcome Dinner at the historic Tipsy Camel. Housed within one of Broken Hill's original breweries, this iconic venue offers the perfect atmosphere to relax, enjoy a delicious meal and get to know your fellow travellers as we celebrate the beginning of your Outback Adventure. Accommodation: Ibis Styles – 4 star or similar (1 night)

**Please do not book any flights prior to speaking with Solo Connections or your travel agent. There will only be one group arrival transfer provided, in conjunction with our Tour host flight times.*

Day 2, Birdsville (B,L,D)

IMPORTANT NOTE: For the next 3 days as we are travelling by Air all passengers are restricted to a maximum of 7kg of luggage per person, total. All passengers will need to take a smaller soft bag for use during this time. The coach will not be travelling with us. Larger cases will be securely stored in Broken Hill whilst we are away.

After breakfast, we begin the next stage of your Outback Air Adventure as we board our private Cessna Grand Caravan 208 charter aircraft. Taking to the skies, we leave Broken Hill behind and enjoy spectacular aerial views of the rugged outback, flying over the historic township of Tibooburra and the winding waterways of Cooper Creek. Our journey continues to the remote outback settlement of Innamincka, where we pause to stretch our legs, explore this iconic destination and enjoy lunch. Back in the air, we soar above the internationally significant Coongie Lakes and the vast Diamantina region, offering a unique perspective of one of Australia's most extraordinary landscapes. This unforgettable flight showcases the immense beauty and remoteness of the Australian Outback before we arrive in the legendary town of Birdsville. Nestled on the edge of the Simpson Desert and steeped in outback history, Birdsville welcomes us with its warm hospitality, rich pioneering heritage and unforgettable red desert landscapes. Accommodation: Birdsville Hotel – 4 star or similar (1 night)

Day 4, Broken Hill (B,L,D)

Highlights include the enigmatic Marree Man geoglyph, the ancient mountain ranges of Arkaroola, and the shimmering surface of Lake Frome. Arriving back to Broken Hill, we visit the fascinating Royal Flying Doctor Service Visitor Centre to learn about the extraordinary work of this essential service and gain an insight into life in remote Australia. Following lunch at a local venue, we continue our sightseeing with a visit to the colourful Big Picture, one of the largest indoor acrylic paintings in the Southern Hemisphere. We then explore the famous Pro Hart Gallery, showcasing the works and life story of one of Australia's most beloved artists. The remainder of the evening is at leisure to enjoy dinner and relax. Accommodation: Ibis Styles – 4 star – or similar (2 nights)

Day 5, Darling River (B,L,D)

Our journey continues into Kinchega National Park, renowned for its ancient river red gums, abundant birdlife and significant cultural heritage. After exploring the park, we enjoy lunch at the historic Maidens Hotel, a true outback institution. As evening falls, we experience the magic of the Australian night sky with a memorable Outback Astronomy Sky Show. Away from city lights, marvel at the brilliant stars and constellations while learning fascinating stories of the cosmos and Indigenous connections to the night sky.
